Swanand Dumbre

B.Sc. Computer Science Student — Aspiring IT Professional

Email : swananddumbre10@gmail.com **phone :** +91 8668398669 **Linkedin :** linkdin.com/in/swanand

Professional Summary

Motivated and hardworking B.Sc. Computer Science student with strong analytical thinking, problem-solving abilities, and communication skills. Passionate about software development, computer vision, and emerging technologies. Quick learner with a positive attitude, eager to contribute to IT projects while continuously improving technical and practical knowledge.

Education

Dr. D. Y. Patil Arts, Commerce & Science College, Pimpri, Pune *2026*
B.Sc. in Computer Science CGPA: 7.96

Dnyanmandir Junior College, Ale, Pune *2023*
Higher Secondary Certificate (HSC) 57%

Chaitanya Vidyalaya, Otur, Pune *2021*
Secondary School Certificate (SSC) 89.20%

Skills Summary

- **Programming Languages:** Python, Java, SQL
- **Web Development:** HTML, CSS
- **Libraries & Technologies:** Numpy ,Pandas
- **Technical Knowledge:** Database Fundamentals
- **Soft Skills:** Analytical Thinking, Problem Solving, Teamwork, Communication

Projects

Personalized Virtual Mouse Interface *Python, OpenCV, MediaPipe, SQL*

- Developed a virtual mouse interface using hand gesture recognition and computer vision techniques.
- Implemented real-time hand tracking for cursor movement and mouse operations.
- Used OpenCV and MediaPipe for accurate gesture detection and smooth interaction.
- Applied SQL concepts for storing user settings and gesture configurations.

Basic HTML Project *HTML, CSS*

- Developed a responsive webpage demonstrating headings, hyperlinks, images, and structured layouts.
- Applied CSS styling to improve webpage readability and visual presentation.
- Gained practical understanding of frontend web development fundamentals.

Certificates

- GenAI Powered Data Analytics Job Simulation (View Certificate)
- Design Thinking Certification – RT-MSSU Mumbai
- Python Programming Certification
- Java Programming Certification
